Really?!

Assistant Lee and
Assistant Kang?

Shh, Jeong
Hwal! You're
so loud!

I... I'm sorry

Well, there is no
ban on intra-office
relationships, but...

It is very early
days yet... I don't
expect things to
move too fast to
begin with, I would
be so ashamed...

I was worried your
tastes would be
more like this:

That's the girl!

Rescue me!

I like you, and you
will never go out
with the chief!

Assistant
Kang really
seems like
a good guy.

He borrowed
tissue from me
a while ago...

And usually
you forget about
borrowing tissues
from people,
right?

You usually say you
are borrowing them,
but you will use them
and never really give
them back.

But the next
day, he brought
a tissue and
gave it to me.

Did
that really
happen?

Yes! I could
feel that he
really cares.

Wahh! What
should I go?
My voice was
so loud...

I am sorry.
I didn't mean
to listen in...

It's okay... It's not
a big secret and you
guys won't spread
it around.

But you're an unusual couple...
Did you have previous business with Assistant Kang?

Yes, we talked at the get together...

Come to think of it... Assistant Choi and Assistant Kang started working at the company at the same time...

Then you must know lots about him.

Huh, well, I
guess... But we're
not that close...

VIBRATE

Ah, I'm sorry!

What is it...?
Is it Assistant
Kang?

They are
a really nice
couple! I hope
things work out
for them.

Hm...
That's
true...

She is dating
Assistant Kang.. I
don't want to inter-
fere in other peo-
ples' romances
but..

What? Why? Is
Assistant Kang
a weirdo?! He
seems so
nice..!

No, no... He's
not a weirdo...
He is a nice
Guy...

Assistant Kang
is nice. He is
nice but...

He is...

Almost
too nice...

*He wants me
to look right?*

Hehe~
Got you!

Drink this
while you're
working.

Even stupid
things like this
can look cute...

Did you
come?

If you don't
have other plans
do you want to
have dinner
with me?

Yeah, of
course! I have
nothing planned!
Let's eat dinner
together.

People are
going to come
back, I will see
you later!

Yeah- Luda
should work
hard.

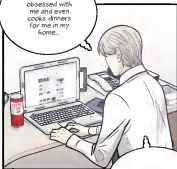

*I am going to go
out with him soon
if the mood is
right..*

Hmm.. She is
obsessed with
me and even
cooks dinners
for me in my
home...

I should
leave some
hints behind.

*I don't think
anything will
help if I make
her angry.*

*T/M PICKLED CABBAGE

*I think I can
coax her away and
it won't be a diffi-
cult way to deal
with her...*

*Of course
I can't make as-
sistant Lee think
that she can have
her way with me...*

*I will have
to stop her if she
tries to do some-
thing else to me...*

THE CHIEF WAS COUNT-
ING HIS CHICKENS WAY
BEFORE THEY HATCHED.

Let's go
home now~

*It's nearly time
to go home and
the Chief didn't
create any
messes!*

*I can have
dinner with
Kang!*

*If I can have time
like this, I can have
time loop over and
over again without
any problem!*

*When somebody
sees this story, they
are going to think that
it's a simple story
about office life ..*

Assistant
Lee!

Do you know
how to use
this?

Ah... This is a
giftcard. You can
use it by going to
the store.

I know how
to use it...

I don't like cakes,
so if you know how
to use it, I will give
it to you. You can
use it.

It can be
exchanged for
other things,
too..

It is nice that
he wants to
give it to
me...

But why is the
Chief being so
nice? I feel
bad...

It is dangerous
to be so nice to
the Chief...

What is this?

Cake! I got a
free giftcard
from work
earlier.

Chief said
that he didn't
need it and
gave it to
me.

How did
you know that
I like cakes?

Hehe~ I have
my ways. Let's
eat it together!

Thank you,
this is great.

I am so excited... Did I drink too much...?

I was only going to have dinner, but the cocktails were so tasty...

CLENCH

You are
going to
fall over...

Be careful.

You should
head home,
it's getting
late...

I am
fine, I'll see
you off.

I don't want
to say it when
I'm drunk.

You can...

Say it...

WOW!

HE'S SO
CUTE!

We are
really going
out now!

I could have
confessed to
him first...

But my heart is
so doubtful that
I wanted to see
him confess to
me first...

They say that
good fortune will
come after hard
work... Now noth-
ing can stop my
happiness!

Ah, damn it...
Has it been
a month al-
ready...?!

At a time
like this...?!

No, think
positively!

Thank God that I
am having this pain
when the Chief has
been quiet...

*My menstrual
cramps are
a torture!*

*They are a torture
that I am going to
have to suffer every
day because of this
time loop!*

Just the
thought...

A digital clock with a white face and black numbers, showing 12:01. The clock is sitting on a brown wooden shelf. The background is a soft, out-of-focus grey and white.

12 01

Let's take
a pill and go
to sleep.
